

# THE GRAY MATTERS COLLECTIVE

The Gray Matters Collective wants to help you to change the world.

**Right here, right now.** We are a mental health awareness and suicide prevention movement -- soon to be an official 501(c)3 non-profit in 2022.

**Our mission?** We want to educate, build community, and bring awareness to anyone and everyone who needs it. Most importantly, we are working to create a world without suicide.

**We can't do it alone. We need your help.**

**Want to be part of our mission? Here's how:**

- Start a Gray Matters chapter at your school or workplace
- Host a fundraiser for our cause
- Schedule a Gray Matters presentation for your work, school, etc.
- Follow us on social media, share your story, or spread the word!
