December, 2020 & January , 2021

**Hello GNC Friends!**

“Are we there yet?” This is normally heard traveling with children, but more and more it is hoping we have arrived in 2021! For a year that flew by quickly, it has been a long year! With the holidays fast approaching, we have a new appreciation for things we took for granted. Things as simple as toilet paper (who knew?) or a hug, sitting side by side in church, seeing someone smile, or being with family. I pray this all returns and we can get back to living our lives with a newfound appreciation. I would ask that we say prayers for those who are still battling the virus, our health care workers as well as people who have lost jobs and income during the last 9 months. May 2021 be a much, much better year.

I would like to take this opportunity to introduce you to our new Bank President and CEO, Shane Zimmerman. Shane comes to us from Des Moines with many years of banking experience. We are very happy to welcome him to our Two Rivers family. If you see him around town, please introduce yourselves so he can get to know our great customers.

Get the same great face-to-face service with our new video teller experience! When you use a video teller, you will have the opportunity to have a real conversation with a real person through our Interactive Teller Machines. Make a deposit, cash a check, make a payment, exchange a bill, or request a new account! These ITM machines are in many of our lobby areas and unfortunately are not able to be accessed right now but when our lobbies open and maybe the lines are long consider using this great alternative. Our Video Tellers can handle just about any type of transaction. Meet our wonderful ITM employees :
