

Good Neighbors Club News

September & October, 2020

Hello GNC Friends!

I hope this newsletter finds you staying safe and healthy. It is so nice to be at the end of summertime and heading into the fall. I have been enjoying the corn on the cob, fresh tomatoes, broccoli and cucumbers from the garden. Have you been enjoying the outside as much as you can? Right now it seems like being outside is about all we can do. People seem to be doing more walking, biking, fishing and trying to stay away from large crowds of people. It's a whole new world for all of us right now. I am still working from home which is a new experience for me and I really miss seeing my Good Neighbor friends and co-workers. I do have to say that being home has added some new joy to my life as I get to spend more time with my husband and family. I hope you are as well.

I'm sure you have seen a lot of events and activities being cancelled since this Covid flu arrived. The bank has also made a decision that all trips for the rest of 2020 have been cancelled for our club. This makes me so very sad, but it is for all our protection and I believe it is the right call to make. Since we don't have trips to report on, the newsletter will look a little different than in the past.

We do have one trip for 2021 still going next April. This is our Tulip Time Jewels of the Rhine River cruise April 9-19, 2021. We are hopeful that this trip will go next year. Right now we have 24 folks signed up and the ship is filling up. Right now through the end of September the air flight is free so if you are interested in joining us, I would be happy to send you a brochure. Those of you with email accounts I will be hosting a Zoom Webinar on this fabulous trip. If you go to our Two Rivers Facebook page you will see an invitation with a link to register for this webinar. You can watch the trip being presented by Kent Van Roekel from Mayflower Tours and myself. If you don't see it, please email me and I will send the link to you via email. I will also be sending an eblast as well with this information. The Webinar will be Sept. 3 at 5:30 p.m.

I am working on trying to line up some trips for 2021 so please watch the newsletter for more info soon. In the meantime, how about a little trivia fun. See the trivia questions on the back. Please list your name and answer all the questions, cut the bottom half off and send to me by Sept. 15 for a chance to win a \$25 gift card.

Quote for today-- "Our greatest weakness lies in giving up. The most certain way to succeed is to try just one more time"
