Dear Ping and Chris

Thank you so much for providing our travelers with such a memorable trip to Vietnam and Cambodia. Everything was arranged perfectly and we all returned with indelible memories of both of these beautiful countries, the friendliness of the people and the adorable children.

On a more practical note, the hotels were marvelous, the riverboat was a leisurely and luxurious way to explore the rivers and the restaurant choices were great. I would highly recommend this destination to any club director looking for a unique and fascinating tour for their club members.

I have had the pleasure of travelling with you three different times, once to China, once to China and Tibet and now to south-east Asia. Why China Plus?? The reasons are numerous.

- You both are from Asia and know the destinations and the travel resources necessary to make each tour special.
- You have both lived in the US for many years and know what Americans want and demand when it comes to hotels, meals, and knowledgeable guides.
- One of you always accompanies the group and handles all the details and ANY inconvenience or problems that may arise. It has truly been a privilege to travel with each of you.
- Your prices are very competitive and inclusive. It never ceases to amaze me how much below the competition you are.

Personally, I would not even consider visiting this area of the world with anyone but ChinaPlus. Thank you for all you have done to make me a shining star with my members. I hope to be able to travel with you again personally once I retire – there is still so much to see!

If you have any requests for references I would be pleased to visit with and answer any questions that anyone may have. My personal email address is ladyjoan45@gmail.com

Again, thank you to both of you for providing me with such amazing travel experiences to share with our club members.

Sincerely,

Joan

Dear Ping and Chris,

On behalf of our 29 AmeriClub travelers to China, thank you for your wonderful efforts in providing a quality, memorable, trip-of-a-lifetime experience for us.

Your attention to organization and detail is remarkable. All components (accommodations, meals, tour guides, tour inclusions, etc.) of our 15-day tour were exceptional. There were so many WOW experiences included, and many times I heard the comment by our travelers that "this trip exceeded my expectations."

The session Chris presented to our group, detailing differences between Chinese and Western cultures, was educational and added an extra dimension of understanding as we traveled throughout China and interacted with its people. Because you have lived in both China and the United States, you understand both cultures and can therefore very successfully design travel opportunities that appeal to the American traveler while exposing us to unique aspects of Chinese life.

I would highly recommend China Plus to anyone considering traveling to China and Southeast Asia. Your company has earned a fine reputation for its service level, professionalism, and quality product.

I am excited to work with you in the future on a tour to Southeast Asia, as I know that no one could do it better.

With thanks and kindest regards,

Julia Terwilleger

Dear Chris and Ping,

I want to thank you for an amazing adventure to China. I have to say this adventure went way above my traveler's and my expectations! Several who have traveled all over the world said this adventure is now at the top of their list of destinations they have traveled! You are the very best at both planning and executing a fantastic adventure!

You are both so efficient and easy to work with from your organizational skills to your attention to detail. I believe you have a special insight being Chinese/American. You share your Chinese culture in such a beautiful way and yet you have the perspective advantage of knowing how to accommodate Americans.

Chris, having you along as well as our very knowledgeable guides was wonderful. You took all the stress out for me and for that I am very thankful. I know Ping was standing by in Texas always ready to help you handle any issues that might come up. You two are an amazing team!

You, ChinaPlus Tours, are the only way to see China and other parts of Asia. I would and will highly recommend ChinaPlus to anyone seeking a top quality adventure!!
Thank you for the incredible memories!!!

Sincerely,
